

HAYNE 3D Vision Workshop

Discover your next steps in Financial Performance Management
Totally complimentary, no obligation - just good, impartial advice

Before you commit to buying software, or extending your investment in Financial Performance Management (FPM), why not ask HAYNE for a 3D Vision Workshop?

During this FREE 1 day workshop we will; Discover your needs, Develop the right strategy and then Design the right solution. We call it our ***3D Vision Workshop – Discover, Develop, Design.***

Make sure that you go into your next investment with your eyes wide open.

Key Points

Meet with our team for a half or full day discovery workshop

Focus on the Finance team or include the IT team for a multi-disciplinary approach

Can be held off-site or at your premises (we won't charge travel expenses)

Analyse your current position and method of working, where you want to get to and how we can get you there

Only when we have a clear understanding of your needs and budget, will we share our knowledge and experience of the solutions available in the marketplace
